LONG TERM AIM
young people have opportunities to engage in activities inspired by 'education for social change' that increase their resilience, wellbeing and life skills in safe, sustainable Woodcraft Folk groups
ACTIVITIES & OUTCOMES
review and planning
first group sessions
mentoring & support
new leader training
links in target communities
enrolling young members
better known & understood
volunteer induction
engagement with partners
outreach programme
online & offline promotion
volunteer recruitment
PROJECT GOALS
growing new groups in new areas
developing our presence in areas of strength
CHALLENGES internal
no Woodcraft Folk groups in key areas
limited capacity in existing groups
no routes for progression from Elfins
CHALLENGES external
reduced funding for statutory youthwork
lack of progressive, values-led activities
patchy youth provision
