

YOUTH IS NOT WASTED ON THE YOUNG

In Woodcraft Folk, you have a right to be listened to, and a chance to have your say. At our groups you can join in with games, crafts, debates, outdoor activities and camping trips, and even plan and run your own activities.

Local groups meet weekly and our summer camps can be truly life-changing.

VOLUNTEER WITH US TO MAKE A DIFFERENCE

For over 90 years Woodcraft Folk has been leading the way in progressive educational youth work. We believe in equality, co-operation and empowering young people to make their own decisions in life.

We need volunteers who can help young people create their own bright futures.
