

This pack has been put together from current Woodcraft Folk members suggestions of their favourite activities. Whether you're a Pioneer looking to continue the fun through the school holidays or live a long way from a group and want to make your own activities, this pack is full of ideas. Open it up and start exploring!

Our Favourite Things

Woodcraft Folk is a co-operative youth movement open to everyone. We support children to take the lead and change their world through weekly group nights and camping trips. Our activities develop children's understanding and respect of the world around them.

Welcome to Woodcraft Folk!

10 Things To Do As A Pioneer!

For 10-12 year olds

Like younger members, we still do games, drama, singing, crafts, projects, discussions etc. Everything we do reflects the aims and principles of the Woodcraft Folk.

Pioneers are aged 10-12 and are becoming more aware of the world around us. We begin to explore how we can influence society and take part in a lot of physical activity through games, hiking, camping, outdoor pursuits and community action.
