

Venturers is for 13-15 year olds. Driven by what's happening around us and in the wider world, enthusiastic debates and discussions form a large part of the Venturer calendar. We go camping as much as possible, both at a district and national level, and are pretty much in charge of planning our own activities. As well as having great fun, we learn useful skills to take forward in life such as decision-making, leadership and the ability to form our own opinions, and defend them, on the big issues.

This pack has been put together from current Woodcraft Folk members suggestions of their favourite activities. Whether you're a Venturer looking to continue the fun through the school holidays or live a long way from a group and want to make your own activities, this pack is full of ideas. Open it up and start exploring!

Our Favourite Things

Woodcraft Folk is a co-operative youth movement open to everyone. We support children to take the lead and change their world through weekly group nights and camping trips. Our activities develop children's understanding and respect of the world around them.
