

We play and learn collectively - this is one place where we don't have to be the best, the fastest or the smartest. Every child is valued equally and this helps us learn to practice fairness ourselves.

Woodchips is where the Woodcraft Folk starts, we are the youngest members aged under six. We play games, tell stories, sing songs and make things, and in warmer weather we go camping.

Welcome to Woodcraft Folk!
Woodcraft Folk is a co-operative youth movement open to everyone. We support children to take the lead and change their world through weekly group nights and camping trips. Our activities develop children's understanding and respect of the world around them.
