

**Woodcraft Folk Fairer Fare Pool
Annual Gathering 2018**

In line with a motion passed at Annual Gathering 2008, General Council is operating a Fairer Fare Pool for Annual Gathering 2018. This fare pool runs on a zonal system based around the number of Districts in each zone. Working out each district's location by averaging the location of each group within a district. A computer program then generates a list with each zone having an equal (or as close as possible) number of districts.

All members from the Districts listed in **Zone A** are asked to make a contribution of £10 per person on top of their visitor or delegate fee. This applies to everyone attending from that District, including children and day visitors. This amount will then be divided equally among those people attending from **Zone C**, including all children and day visitors.

If your district is listed in **Zone A** you must add your fare pool contribution to your delegate fees and send a cheque for the full amount to Woodcraft Folk Head Office. Bookings will not be considered final until any contribution to the fare pool has been received.

If your District is not shown in the lists below, then you will neither make a contribution nor receive a refund via the Fairer Fare Pool.

Zone A (paying in £10 per person)		Zone C (will receive a contribution)	
Banbury	Kingswinford High	Bradford	Harlow
Bath	Acres	Brighthelmstone	Hastings
Birmingham South	Knaphill	Brighton Central & Hove	Hebden Bridge
