

## Woodcraft Folk Alternative Session Plans

These session plans haven't been run in full recently, but are available as session plans for volunteers to deliver. Contact [info@woodcraft.org.uk](mailto:info@woodcraft.org.uk) for more information.

- **Learn to Play** - This course is aimed at members, parents, volunteers and DFs already running groups or wanting to become more involved with local Woodchip, Elfin or Pioneer groups. The course covers Introduction to Woodcraft Folk, child development and play, health and safety, safeguarding, inclusion, co-operative play activities and teamwork.
- **Youth Leader Training** - The course is suitable for members, parents, volunteers and young people already running Pioneer and Venturer groups or planning on getting more involved in running groups. The course covers young people, society and Woodcraft folk aims & principles; working with young people – the leader's role and safeguarding; programme planning, groups, issue based work and peer education; programme planning, camps, residential, health & safety matters and group organisation, course review and action planning.
- **Young Trainers** - The Young Trainers Programme is specifically aimed at supporting and developing young people under the age of 25 to become trainers within Woodcraft Folk. They can then use these skills not only in Woodcraft, delivering training to support local groups, but also use them to gain future employment as the training is accredited through the ASDAN Activity Award. There are no Young Trainers programmes currently scheduled but there are young Woodcraft Folk trainers around the organisation - if you'd like to invite one of them to run a training session, please [get in touch](#).
