

Welcome back to Woodcraft Folk

Woodcraft Folk are excited about the return to physical group activities.

As a parent or carer there are some things you should know:

- Group activities will follow Government guidelines, as a youth organisation Woodcraft Folk in Scotland is following the guidance produced by [Youthlink Scotland](#)
- Face to face activities will only take place when volunteers believe it is safe to do so
- Camping and residential will not take place until restrictions are lifted
- Restrictions on youth organisations are stricter than those placed on schools to reduce the risk of further disruption to teaching in school
- Woodcraft Folk will continue to offer remote and virtual programme opportunities via www.dreambigathome.uk

Your child should bring the following to group activities:

1. A small bag
2. Their own drink bottle, clearly marked with their name
3. Their own bottle of hand sanitizer
4. A packet of tissues
5. Other equipment as advised by your local Group Leader

What can we expect?

- 2m social distancing is required by those 12 years and above
- Children will be organised in bubbles, where possible reducing the level of mixing across school communities and different households. If space allows, more than one bubble can meet in the same location.
- Bubbles can not be more than 15 people (including adult volunteers), although we are recommending much smaller bubbles to support social distancing
- Masks should be worn indoors by everyone aged 12 years+
- Your contact details may be shared with the NHA Test and Trace system if someone in your child's bubble demonstrates COVID-19 symptoms

What we ask of you:

- Be aware of your own health - do not attend if you, or anyone in your household, shows any COVID-19 symptoms
- Be clear about our guidelines, ask your Group Leader if you need clarification
- Ensure we have your correct contact information

<i>Before arriving at group</i>	<i>When arriving</i>	<i>After the group</i>
<ul style="list-style-type: none"> ● Go to the toilet to reduce the need whilst at group ● Practice good hygiene: wash your hands, wear clean clothes, use a tissue ● Bring whatever equipment you need e.g. water bottle, tissues, hand sanitiser 	<ul style="list-style-type: none"> ● Wash your hands ● Register with the Group Leader ● Join your bubble ● Maintain social distance if required ● Follow instructions 	<ul style="list-style-type: none"> ● Wash your hands ● Do not be tempted to meet up with other group members without following social distance guidelines

If you have any questions or concerns please contact your Group Leader.

Please **do not attend** Woodcraft Folk activities if you:

- Have a high temperature (above 37.8C)
- A new continuous cough
- Shortness of breath
- A sore throat
- Loss of or change in normal sense of taste and smell
- Feeling generally unwell
- Been in close contact with/living with a suspected or confirmed case of COVID-19 in the previous 14 days
