

Venturer Camp Update – How to make a payment

Spring is starting to blossom in windy but sunny Manchester and everyone on the VCamp team is hard at work to make this the best camp it can be!

I just wanted to send a quick email round in regards to clarification to payment.

We will invoice you for the amount you owe. You can pay via bank transfer or cheque.

In order to pay, the WCF Bank details are:

- The Co-operative Bank
- Account Name: Woodcraft Folk
- Account Number: 50576830
- Sort Code: 089075

If paying by bank transfer, please make sure to label this with an identifiable reference- your name/ district and VCamp, in order to let our finance team know. If you are paying deposits individually but you are in a district. Please, can you put the name and the district e.g. (Carter-Rich- Coordinating). This just helps us when we are accounting for payments.

Staff at Folk Office can take debit/credit card payments over the phone. They will need:

- Long card number at the front of the card
- Expiry date
- Start date
- Security code (3 digits at the back).
- The amount due

Travel to the site

Coaches from Hereford train station are included in the price, however, travel to Hereford will need to be organised and paid for by the district/individual.

If you have any questions regarding payment or booking then please don't hesitate to email me at admin@venturercamp.org.uk.

Blue skies,

Holly Carter-Rich
