

Membership Badge Template

Competition 2025: The search for the design for Woodcraft Folk's 2025 membership badge is on! The theme for designs this year is "Celebrate our Centenary"

Woodcraft Folk will be celebrating its 100th anniversary in 2025 and we'd like our young people to design a badge in celebration. The design can illustrate the great achievements the charity has made, commemorate a camp or time of celebration or show the young person's experience
