

100 Objects Spanning 100 Years

Woodcraft is 100, let's celebrate! If you can't make it to our "100 Objects for 100 Years" Exhibitions, you can make your own exhibition.

Find ways to tell the stories – it can be a great way to introduce some activities involving young people, kinsfolk and parents. We've put together a few suggestions to help start conversations about Woodcraft.

Everyone's story matters at Woodcraft, and we want to find out more about all our members, groups and districts. We want you to be a part of our celebrations, and we'd love to hear from as many of you as possible, 'Spanning the World with Friendship'!

Washing line exhibition

For 'Wish you were Woodcraft' our members selected and created postcards about what Woodcraft means to them. You can order '100 Postcards' from us and create your own exhibition on a 'washing line' as part of your celebrations. Attach your postcards with clothes pegs of masking tape to string/ twine/ whatever and you have your exhibition, ready for people to add their own postcards. If you can leave the exhibition up at the venue you meet that's great, but if you have to take it down, it'll take five minutes. Maybe you could find somewhere for it to go for longer? Maybe a Local Library or a Community Centre.

Why not add your own artwork?

You can be part of our online exhibition and form part of the story of Woodcraft in our Archives by sharing your postcards, your experiences so we can represent all of Woodcraft! These can be sent digitally or you can post it to us!
